## Internal Quality Assurance Cell Overall Perspective Plan

The perspective plan for the year 2017-2022 is prepared to ensure that college activities are aligned with the Vision of the college.

### **Vision:**

We aspire to be a leading educational and socially responsible institution in the rural area to create ideal human resources which will serve the society

### **Criterion -I: Curricular Aspects:**

The college follows curriculum prescribed by Savitribai Phule Pune University. Following aspects are required to be considered to set the benchmark in line with the expectations of the Post graduate courses like M.A./M.Sc. programme:

- To Revisit Vision and Mission statements.
- To Start new academic programs like certificate courses in communication Skills, professional courses making the students efficient to earn their living.
- To initiate steps to implement Choice Based Credit System (CBCS) with semester effectively for the existing programs
- To Motivate students for field projects/internships
- To Encourage faculty and students to take up relevant online courses.
- To Develop online courses (MOOCS) and other Open Educational Resources
- To Interact with stakeholders regarding their feedback on the curriculum, and incorporate these into practice.
- To Utilize the expertise of the stakeholders and experts from Universal Education for quality improvement.
- To Identify the plug points where the different courses could be integrated in the curriculum to ensure broader understanding and application.

- To Provide opportunities for capacity building to the faculty from the institution as well as other institutions by organizing faculty development programs in innovative teaching learning strategies for effective curriculum transaction.
- To Develop programs to train student and teachers to enhance global competencies.

### **Criterion- II : Teaching Learning and Evaluation**

There is a need to train students to be competent for using languages effectively not only at the local, but also the global level. At the same time, the impact of social media and exposure to global values, also underlines the need to have a strong grounding in traditional Indian values. Keeping this in mind, we propose the following for the coming years:

- To Incorporate advances in ICT in curriculum transactions, as well as evaluation and assessment.
- Equip students for curriculum transaction to meet the challenges of inclusion and global competencies.
- Network with organizations to promote traditional Indian and universal values.
- Develop partnerships with organizations and carry out collaborative programs like:
  - National and international conferences,
  - Training workshops for students and teachers.
  - Exchange programs for students and faculty
- Develop a more interactive website for dissemination of information, as well as to get inputs from all stakeholders.
- Pro-Vision for digital resources for technology enhanced learning.
- Make pro-Visions for digital resources for technology-based learning.
- To Organize orientation/training program for the Common Entrance Tests for the students to be self-esteem developed.
- Use of ICT and MIS for teaching, learning, evaluation and administration.
- Initiate development of cluster colleges' network for facilitating choice-based certificate courses.
- Initiate distributed classroom setup to share teaching expertise with different institutions.
- The college is committed to catering to diverse needs of students. We propose to update and make optimal use of the language laboratory, gymnasium and providing counseling services to our learners by appointing trained personnel.

- Bridge the gap between the institution and schools by making the school internship programme more meaningful for both.
- To conduct bridge course for students to fill up knowledge gap between below 12<sup>th</sup> and UG
- Provide training to students for other international boards through workshops and guest lectures for designing instruction.
- To encourage students to become members of online teacher forums to develop global competencies.
- Practice constructivist philosophy to facilitate learning by faculty.
- To motivate teacher faculty to use latest and need based software approach to teaching learning.
- Strengthen evaluation of teachers through self-appraisals, peer appraisal and student feedback.
- Set up a repository of institutional study materials.
- To start English communication course for the students

### **Criterion – III: Research, Consultancy and Extension**

In order to further enhance the quality of research, consultancy and extension, we plan to take the following measures:

- Set up a Ph.D. research cell in the Institute.
- To Promote dissemination of quality research paper UGC listed Journals through annual publication.
- To encourage students to conduct researches and publish through different forums.
- To encourage faculty to take up research projects.
- To encourage faculty to take up collaborative and participatory research.
- To Promote teachers for book publications
- To focus on extension activities and institutional social Responsibility
- To encourage faculty to conduct research-based community development programmes.

### **Criterion- IV : Infrastructure and Learning Resources**

The institution proposes to augment the infrastructure and learning resources as per the requirements of the changing times and the revised syllabus.

- Update the different laboratories as per need.
- To construct Principal Quarter and Staff Quarters.
- Efficient transport facilities for students coming from various villages

### **Criterion – V : Student Support and Progression**

Strong student support leads to students thriving in the personal, academic as well as professional arenas. We propose the following:

- Strengthen mentoring, counseling facility for students.
- Make available a doctor on panel for attending to the physical health of the students and faculty.
- Organize regular health checkup for the students.
- Strengthen the Placement Cell.
- Tap the potential of the alumni for mentoring.
- Organize soft skills courses at First year level grooming students for their career.
- Strengthen the remedial programs.
- To motivate students to apply for various scholarships

### **Criterion- VI : Governance, Leadership and Management**

The Vision and Mission of the Institution are translated into reality through efficient leadership and governance. Keeping this in mind in the coming years we propose:

- Strengthen the IQAC and LMC by empaneling eminent educationists from other educational institutions like special education, management institutions, other reputed universities, international schools and NGOs.
- Identify and set benchmarks as well as standards. In addition, ensure dissemination of the same.
- Complete digitization of MIS and overall administration of the institution.
- Strengthen networking between/among different institutions of the Universal management for smooth and efficient functioning.
- Maintain the institutional ethos and professional climate so as to sustain cordial relationships amongst members.
- Encourage faculty for professional enhancement (research, consultancy, publications, etc.).

- Enhance stakeholder relationships by involving them in feedback for continuous improvement.
- To initiate collaboration with other colleges for academic exchange
- To initiate PG programme in department of chemistry
- Sustain the practice of continuous system of feedback and strengthen the appraisal mechanisms.
- To increase the numbers of MOUs
- To conduct Academic and Administrative Audit

### **Criterion- VII: Innovation and Best Practices**

We propose the following innovations for the coming years.

- Collaborate with reputed organizations to conduct certificate courses for professional and personal development as a value-added service to the students and community.
- Facilitate online learning for students' on-campus and off-campus.
- Learning through exploring and research thereby making every activity research centered.
- Equip students for the inclusive schools by continuous association with institutions for especially abled students.
- Strive for continuous professional growth by making ICT as an integral part of the curriculum for students and staff.
