Department of NSS Plantation report

Maratha Vidya Prasarak Samaj's at Nandgaon- Arts, Commerce and Science College planted two trees. On the occasion of Vanamahotsav week from 1st to 7th July, trees were planted in a row near the main entrance of the college under the auspices of the present MP Mr. Harishchandra Chavan, former MLA Mr. Sanjay Pawar, and Principal Dr. S.I. Patel.

It included plants like Karanj, Neem, Gulmohar etc. This time, the volunteers of the National Service Scheme dug pits at a certain distance from the entrance of the college to the canteen. And at this place trees were planted by the guests. After planting the saplings, volunteers and other staff watered the plants.

On 5th July again the trees were planted in the open space at the back of the college along the grounds. On this occasion, tree plantation was done by Tehsildar Shri Chandrakant Devgune of Nandgaon, Forest Officer Shri Aher, Principal Dr SI Patel etc.

All the professors of the college were present on this occasion. A total of 110 saplings were planted.

Campus Cleaning Drive

Date-09/08/2019

Clean environment is an indicator of progress of human being and with the motto of clean environment Government of India has initiated 'Swaccha Bharat Abhiyan'. The NSS unit of MVP Samaj's Arts, Commerce and Science College, Nandgaon has taken this opportunity and initiated cleanliness drive in and outside the college campus. As a part of regular NSS activities our NSS unit has organized cleanliness drive in the college campus and across the approach road. The activity was started from the College Library Building. During this activity volunteers have cleaned the approach road from College Library Building to College Entrance and chopped the unwanted bushes along road side. They also removed the grass and weeds besides the divider and picked up the all plastic garbage from sides of road. The drive was concluded at Canteen of our college.

ELIMINATION OF SINGLE-USE PLASTICS:

Nandgaon organized an awareness program on “ELIMINATION OF SINGLE- USE PLASTICS” on 19th October 2022 from 8:00 am to 10:30 am and a rally from the College to the River bank of Girananagar village to create awareness among people about the importance of waste management and reduce single-use plastic for Pollution free air and water. These include, among other items, grocery bags, food packaging, bottles, straws, containers, cups, and cutlery. The objective of this program is to give awareness among the student community about the hazards of single-use plastics in the event volunteers were supported by the NSS of the College.

After the cleaning Nagar parishad of Nandgaon has taken away the garbage and a part of the garbage was taken by an organization for recycling. A total of 150 students participated in the drive. The Principal of the College Dr. S. N. Shinde inaugurated and led the active participation of all in the cleanliness drive. Vice Principal, Dr. S.A. Marathe. The Program officer, NSS Mr. B.P. More, Mr.

S. P. Dond, and Mrs. K.T. Bagul were taking an effort to carry out this program.

Vrikshmitra Abhiyan:

Introduction:

Continuing with its tradition of preserving the environment and having eco-friendly activities, the “Vrikshmitra Abhiyan Event” was conducted on the campus of MVP Samaj’ Arts, Commerce & Science College, Nandgaon on Tree Plantation Event, 24th June 2022. Understanding the importance of nature for our existence and conserving nature in all manner, is our moral responsibility. It's not too hard to believe that without trees we, humans would not exist on this beautiful planet. Also, we have felt the change of purity in nature and reduction in pollution effect during this pandemic situation. While the latest technology has provided us with many comforts, the consequent urbanization and industrialization also have some undesirable side effects; Global Warming is one of those. This event is a positive step towards achieving a healthy environment to reconnect humans to nature and foster environmental stewardship.

Program Details: The event began with welcoming the Director, heads of all departments, all faculties, staff, and student participants at 3:30 PM. More than 50 students, faculties, and staff members participated in the event. Dr. B.W. Chavre sir delivered a speech wishing “Tree plantation” as well as the why important implementation of “Vrikshmitra Abhiyan Day”, He shared the importance of nature and how we can protect it for the betterment of our future. The outlook towards nature must be changed from Utility to Divinity. Trees are the most important part of natural resources. It is our moral responsibility to conserve it with the highest priority. Dr. S. N Shinde, Principle of the institute, added, “We should not only save the trees but should put our equal efforts in planting as well nurturing the trees at least for next 4/5 years”. He also explained the importance of such an event to develop a good virtue in one's life.

All the participants have planted more than 10 saplings around the campus and nearby their homes. At the plantation of saplings, all have recited a shloka to maintain the divinity between humans and nature. It was the dedication and enthusiasm of the coordinators' Dr.

V.B. Sonawane, Dr. M.P. Dushing, Dr. A. L.Tidar, Mr. M.B. Atole, and NSS Coordinators Mr. B.P. More and Mr. R.V. Wagh, Mr. S. S. Shinde successfully completed the whole event under the support and guidance of Dr. S.N. Shinde and the Management. Also, thanks to the vice principal of the institute Dr. S.A. Marathe, Junior college Head Prof. Deore and college campus coordinator Dr. A.N. Madane who have given their extra effort till the end of the event voluntarily. Above and beyond, let's not forget the backbone of this event – Faculties, Staff, Student participants, Admin staff, and Gardeners.

Plantation program

Field Survey and Plantation:

The Department of Botany organized a Field survey on the surrounding hills near the College. In this field visit students of Botany studied various plants

wildly grown on hills. Teachers made students about plant and animal diversity. Students were guided with botanical and common names of the plants with their medicinal values. During *this survey students and teachers could observe various plants including Caralluma fimbriata, Encostema axillare, Tephrotia peruviana, Tridax procumbens, Echinops echinatus, Butea monosperma, Tinospora cordifolia, Cocculus hirsutus, Prosopis cineraria, Boerhavia diffusa, Aristolochia sp., Drimia indica*, and different Mimosaceae members. Students took photographs of observed plants. Students could also observe some wild animals including, *Pavo cristatus* (Peacock), *Cervidae* (Deer), *Vulpes velpes* (Fox), Different species of Lizards, *Vulpes velpes* (Rain bug), and other insect species. Students were informed beforehand about not disturbing plants and animals. Students were also informed to make a survey report of the field survey.

Simultaneously, students under the guidance of teachers made seed balls of different plants like *Butea monosperma* (Palas), *Tamarindus indica* (Tamarind), *Acacia nilotica* (Babul), *Azadirachta indica* (Neem), *Terminalia bellarica* (Behda), etc. All these seed balls were planted by digging land with a hoe. It was taken care of a selection of spots for planting that should get abundant water from rain. Also, while planting land had adequate moisture due to prior rain. Students, collected seeds of the *Butea monosperma* (Palas) on the same day and made them with seed balls, and planted them on the pre-prepared Continuous Contour Trenches (CCT's) made on hills. Students and teachers also planted some plants of *Butea monosperma* (Palas) on the hillsides.

This field visit was organized with the following aims.

1. To make students well acquainted with local biodiversity.
2. To make students aware of plantations and their importance.
3. To teach students about seed ball formation and its cultivation.
4. To make students aware of local plants.
5. Students will become well acquainted with field surveys.

6. To collect information on plants in the study area and report the need for the plantation of suitable plants.

During this field visit and plantation teachers of the Botany department including the Head of the Department, Dr. B.W. Chavre, and other teachers, Dr. V.B. Sonawane, Dr. A. N. Madane, and Dr. S.S. Shinde were present. All teachers guided students regarding the survey, plantation, seed collection, seed ball formation, and report writing. For this activity students and teachers got guidance from Principal Dr. S.N. Shinde.

Campus Cleaning Drive
02/02/2022

Clean environment is an indicator of progress of human being and with the motto of clean environment Government of India has initiated 'Swaccha Bharat Abhiyan'. The NSS unit of MVP Samaj's Arts, Commerce and Science College, Nandgaon has taken this opportunity and initiated cleanliness drive in and outside the college campus. As a part of regular NSS activities our NSS unit has organized cleanliness drive in the college campus and across the approach road. The activity was started from the College Library Building. During this activity volunteers have cleaned the approach road from College Library Building to College Entrance and chopped the unwanted bushes along road side. They also removed the grass and weeds besides the divider and picked up the all plastic garbage from sides of road. The drive was concluded at Canteen of our college.
