

Maratha Vidya Prasarak Samaj's
ARTS, COMMERCE AND SCIENCE COLLEGE, NANDGAON

RESEARCH POLICY

Aims of the Research Policy

The college has defined the research policy with an aim to create a positive research culture among faculty and students; to develop and promote scientific temper and research aptitudes; to realize the vision and missions of the college and to contribute to national development.

The policy also aims to ensure that the research activities of the college abide by the accepted norms and standards for the safe and ethical conduct of research.

Scope of the Research Policy

This policy is applicable to all the researchers pursuing research on campus as well as associate researchers off campus. This policy shall also apply to all the research and related activities of the college.

Objectives of the Research Policy

- To identify and communicate with faculty and researchers about the probable research opportunities announced by different academic, research, industry, or government organizations and provide assistance to avail the same.
- To promote interdisciplinary research
- To encourage faculty to take up research in terms of major /minor projects, etc.
- To apply for research grants for the up-gradation of infrastructure.
- To support the faculty in organizing research-based workshops, training programs and conferences.

- To motivate researchers to present their research work in seminars, conferences, and research-related competitions and to publish their works in reputed journals.
- To invite eminent persons in the respective fields for interaction with researchers and students.
- To increase rapport with reputed industries, and research institutes and generate strong collaboration to benefit researchers on campus.
- To guide and support researchers in facilitating MoUs.

Composition of Research Cell

Research Cell will have the following composition

- Chairman: Principal of the College
- Coordinator: 01
- Faculty Representatives: 3

Research Cell might be expanded with the inclusion of more members as necessary.
